NOVEMBER BRANCH MEETING and BOOK SIGNING

Date: Saturday, November 7 Time: 2:00 pm - 4:00 pm Place: Monterey City Library, 625 Pacific Street,

Monterey

\$10.00 suggested donation to benefit AAUW Programs and Scholarships.

We're excited to have award-winning local journalist Claudia Meléndez Salinas join us to talk about her new novel, *A Fighting Chance*. The book, which takes place in Monterey County, was released Oct. 31 and this will be its Monterey Peninsula "premiere". The Monterey Herald had an article about Claudia and her book on October 23; to see it, click <u>here</u>.

The spark for the book came in 2004, when officials in Salinas tackled a budget shortfall by closing the city's libraries, a decision that made international news. Much less publicized was the fact that the city would close its community centers, a big blow to the agricultural city's mostly young population. Watching the adults scramble for solutions, Meléndez Salinas thought: what about the children? A Fighting Chance brings the youths' perspective into the picture.

A reception with the author will follow the program.

To help us plan, please RSVP by clicking the button below if you are coming. Thank you.

DECEMBER BRANCH HOLIDAY PARTY

Date: Sunday, December 13 Time: 3:00 pm to 5:00 pm Place: home of Nancy Soulé 504 Larkin Street, Monterey

Put on your holiday attire and join us for our Holiday Party at the newly restored historic home of Nancy Soulé. (Note that parking is unrestricted on Larkin Street, between Madison and Jefferson, and on streets above Larkin. Guests wanting to avoid stairs may park on Jefferson Street and enter through the back gate at 504 Ord Street.)

Attendees are asked to bring appetizers or dessert as well as wine or other beverage to share. As our party will be in a private home, we will not have table seating so please plan your special treat accordingly. Spouses/significant others and prospective members are all welcome.

In addition, we invite you to bring a new or gently used book that our branch will donate to local children for the holidays. Books can be for any age and bilingual books are appreciated. Also, a \$5 donation for Local Scholarships would be appreciated.

PRESIDENTS' MESSAGE

Dear Members,

We had a wonderful start this fall reconnecting with friends and welcoming newcomers at the New Member Reception in September. What a pleasure to have some of our new CSUMB partners join us! Thank you to the board for providing the treats and program chair Fatima Dias, Mary Conway and Nancy Edwards for putting on this event. October brought our annual Tech Trek Fundraiser with Lucy Campen opening up her home and Marilyn Erickson presenting our Tech Trek participants.

Recently, the Wall Street Journal featured an article on the persistent inequities women face in the work place. Despite some gains, there are still far fewer women in management or CEO positions than men. We are proud of AAUW's 130 year old history of advancing equity for women and girls. Tech Trek is one way we support AAUW's mission in a very concrete way; the other is our scholarship program which is currently in need of more funds. Thanks to all of you who generously donate to these programs that make a real difference in young women's lives.

We look forward to the book signing with Claudia Melendez in November and our Holiday Gala at Nancy Soulé's home in December. Book clubs are up and running; Romancing the Coast has a great slate of programs; Gourmet dinner dates are set; there is the fun as well as the mission!

Wishing you all a beautiful holiday season!

Miriam and Sharyn

PUBLIC POLICY

Become a 2 Minute Activist

AAUW's 2 Minute Activist program provides a guick and painless way to advocate for women's issues with your elected officials. Content is pre-written for you to electronically sign and send on to your elected officials (based on zip code). Join this program and you will receive emails about time critical issues that need your support and a link to the web content for your 2 minute response. You can sign up for this program on the Take Action page of the Public Policy section of the <u>aauw.org</u> site or by clicking <u>here</u>. This web page also contains information about many additional issues you may want to address with your elected officials in the same fashion.

Congress, at the last minute, voted to fund the government on Oct. 1st, so no shutdown, but they need to pass a balanced budget. AAUW asks you to tell your member of Congress to pass a real budget and stop the sequester. You can find information on this as well at the site above.

Local Scholarships

I believe that our university time was formative in our lives, opening our eyes to a larger world and opening doors to fulfilling careers. Getting a college degree today is more critical than ever. Our AAUW MPB Local Scholarship program provides funds to help deserving and needy local college students work towards their dreams. Many are the first in their families to attend college. They have successfully navigated at least two years of college work. They have compelling stories.

Last year, we awarded \$12,000 in scholarships. This year, our funding is struggling. Two major grant funders are no longer available. Plus, we typically raise almost \$2,000 by staffing a local polling place; this year, there will be no elections in our fundraising window.

Donations to Local Scholarships are 100% tax deductible; our program is a 501(c)(3) organization. All of our work is volunteer, so no overhead. Donation letters go to all donors.

You can read the compelling stories of the most recent CSUMB and MPC scholarship winners from the Community/Action section of our AAUW MPB web site at http://mpb-ca.aauw.net/community/action/. You may also view success stories from many recently graduated scholarship winners.

Please consider a donation to our Local Scholarship program. Send your donation check TODAY, made out to 'AAUW-MPB Local Scholarships', to treasurer Judy Ritchie, 4098 Pine Meadows Way, Pebble Beach, CA 93953. THANKS FOR HELPING OUR BRANCH MAKE A DIFFERENCE IN LOCAL STUDENTS' LIVES!!

Tech Trek Report

The Tech Trek Fundraiser at Lucy Campen's home on Sunday, October 18, raised \$1,210.00. Attended by 32 people, this gathering featured a presentation by our two Tech Trek scholarship winners, Isabel Reed and Allison Gray. They described their week at Camp Marie Curie at Stanford, July 12-18. Each girl had her own Core Classes in the morning...Allie had 3D Math and Isabel had Forensics. They took field trips and had workshops and group activities in the afternoon and evening. A favorite workshop was robotics. The last night was build-it night. Each dorm group had to build something out of rolled newspaper and tape, so Allie's group made a sailboat, which won the award for the tallest structure.

Allie also made a photo book of her week at Tech Trek and presented it to us to keep in our archives. It is a great story of the whole week. We were impressed with the enthusiasm and maturity of our scholarship winners.

We will soon begin the process of asking teachers to nominate 7th grade girls for camp in the summer of 2016. We should feel proud that we can support two \$900 Scholarships for Tech Trek. Donations are still being accepted; checks should be made out to AAUW, with Monterey Peninsula Branch Tech Trek on the memo line. Send to Marilyn Erickson, 25351 Boots Rd. #6, Monterey, CA 93940.

Thank you to everyone who came to the presentation and to all who contributed to this program.

Marilyn Erickson, Tech Trek Coordinator
